*Typically, gymnasts are expected to attend all competitions unless a family has an unavoidable schedule conflict. **We will be planning on all gymnasts attending all meets unless we hear otherwise.** If you are NOT comfortable with your gymnast attending any of the planned meets, please email slginfo@gmail.com.

*Keep the entire meet weekend open (including Fridays and/or Mondays, if a Friday and/or Monday date is listed). You will not know exactly when your child is scheduled to compete until a couple of weeks prior to the competition. Your child will compete only one session, approximately 4-5 hours once over the weekend.

*Book your hotels early and for the entire weekend. Most meets have a host hotel with discounted rates. Go to the websites listed above for hotel information for each meet. Host hotels fill very quickly. Once the competition schedule is released (typically 2-3 weeks prior to the meet) you can always cancel unnecessary nights. Check with the hotel for cancellation deadlines. We advise against booking any non-refundable rooms. Please know, you are not required to book a specific hotel.
